NEW DISPENSER TREND

ECO - SUSTAINABILITY AND SAVINGS

Our new **refillable dispenser Trend Plus** is a synonym for **eco-sustainability**, as it allows less waste of packaging and cosmetic product compared to the use of single-dose bottles. An affordable and long-lasting solution that, thanks to its minimalist design, becomes suitable for different types of environments..

NEW DISPENSER TREND PLUS

key benefits

REFILLABLE PACKAGING

SUSTAINABILITY

Less packaging waste compared to the use of single-dose bottles. No waste of cosmetic product thanks to the membrane cap that ensures a controlled dosing. 100% recyclable PE bottle.*

**On demand, it can also be made with 100% recycled plastic.*

benefits for the hotels

1

SAVINGS

Affordable solution due to the refillable system.
Less product waste compared to the use of single-dose bottles.
No product waste thanks to the controlled dosing.

2

PRACTICALITY AND EFFICIENCY

Easy to assemble and versatile, as it can be fixed to the wall with screws or double-sided tape.
Quick and easy to replace and clean.
Transparent bottle that allows you to check the level of product consumption.

3

SECURITY

Wall-mounted supports with anti-theft lock.

FORMULAZIONI

argan® SOURCE with organic argan oil

Formulations made with **Organic Argan Oil**, beauty elixir that has become a “must” in terms of cosmetic products thanks to its anti-oxidant, emollient and moisturising properties. It regenerates, repairs, stimulates the skins’ cell renewal and helps to neutralize free radicals, protecting it from ageing process. Formulations are completed with an intriguing fragrance, able to move with its elegant notes.

OLIVA del Mediterraneo con Olio di Oliva biologica

Organic Olive Oil is the protagonist of these excellent formulations. The life force of Olive Oil lies in the wealth of anti-oxidant substances and works against free radicals, responsible for cellular aging. These formulations gently cleanse, leaving the skin toned and elastic. They have a pleasant fragrance and give a feeling of well-being that lasts over time.

NATURAL.LAB B I O C O S M E T I C S

Formulations certified as **Eco Bio Cosmetics** by ICEA, the main certifying body of natural cosmetics in Italy. The brand ensures that formulations compare to the body well-being. This means using products whose raw materials have been selected following a strict discipline that bases its principles on Organic, Ecological, Natural and Ethical concepts.

B·NATURAL

Certified Ecolabel formulations, symbol of our GoGreen philosophy. They are made of raw materials of plant origin, which guarantee the highest level of environmental sustainability.

ORO

Formulas realized with **Black Caviar Extract**, precious ally to fight the signs of aging, and to maintain facial and body skin beautiful and young. Indeed, the caviar has nourishing, moisturizing, mineralizing and antioxidant properties. Oro is further enriched with its elegant fragrance that will embrace your guests in a “The Thousand and One Nights” atmosphere.

FORMULATIONS

HEMP CARE

High-performance formulations enriched with **organic Italian Hemp oil**, rich in vitamin E, B1, B2, Omega 3 and Omega 6, well-known for their antioxidising, nourishing and moisturising properties. A veritable fountain of youth that improves the quality and strength of the skin, leaving it luminous, velvety and non-greasy. A refined fragrance which is the result of selecting fine scents plunging the senses into an authentic aromatic journey through Sicilian Citrus, Bitter Orange, Sage, Hemp Leaves, White Rose, Jasmine, Spices and Precious Woods.

Ka Ri Tè

Formulas realized with Shea Butter that, rich in fatty acids, vitamin A, B, E and F, is the perfect ally for skin care and hair care thanks to its ability to give nourishment, softness and silkiness. The exclusive fragrance was born from the blend of elegant, sweet and floral notes with intense and woody notes. The result is true well-being.

ENERGY GREEN TEA

Acquerello

Formulations enriched with **Green Tea and Ginkgo Biloba Extracts**, for a regenerating and energizing break of well-being. Rich in tannins and polyphenols, the Green Tea Extract is characterised by its dermopurifying and antioxidant properties, while Ginkgo Biloba helps to improve the elasticity of the skin, giving it nourishment and a healthy and shiny look. Energy formulations were born from the combination of these two extracts and they are precious for both the content and their lively fragrance, created to give freshness and energy.

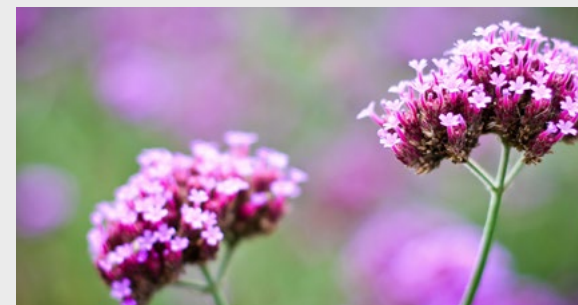

one FOR you

Delicate formulations made with **Wheat Proteins**, particularly useful for hair care, reinforce them and give volume, making them smooth and shiny. Used on the skin, they have a moisturizing, soothing and anti-aging effect.

verveine et thé vert

Formulas enriched with **Verbena fragrance and Green Tea extract**, a perfect combination of energy and vitality. Thanks to its aromatic properties, Verbena gives unique and stimulating emotions to our mind. The other characterizing ingredient of these formula is Green Tea extract, famous for its purifying and energizing properties.

FORMULAZIONI

acqua di
colonia

Formulations with a unique fragrance: the elegant citrusy head notes and **exotic references** as Iris flower, Vetiver, Patchouli and Sandalwood, will leave a unique sign of style on your guests' skin.

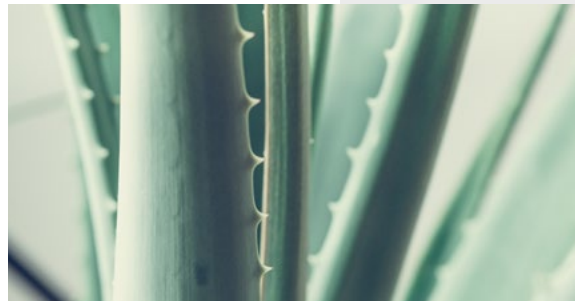

Cocci Nella®
Kid set

Delicate formulations dedicated to little travellers, with **Rice and Mallow extracts** that have emollient and softening properties. The soft fragrance and the dense and creamy texture will provide a feeling of natural freshness to the little guests.

aloe
vera

Formulations realized with **Aloe Vera juice**. Its nourishing and moisturizing properties, recognized since antiquity, are referable to the precious content of its juice, rich in polysaccharides, vitamins and minerals, it helps the skin to maintain the right amount of water, so as to preserve its moisture. A fresh and pleasant fragrant note gives these formulations a special energizing result.

TEA
MATCHA

Exclusive formulations with **Tea Matcha fragrance**. Green, citrusy and aromatic notes blend together in order to create a unisex perfume, extremely elegant. The formulations with soft and delicate textures, are enriched with **Matcha Tea extract**, a precious ingredient for both skin and hair, thanks to the amount of vitamins, minerals, polyphenols and other oxidants it contains. In fact, it is well-known for its antioxidant, nourishing, antibacterial and soothing properties.

Acquerello
L I F E S T Y L E

A complete range of products with different fragrances: it is a overwhelming olfactory journey for the body well-being and for the uniqueness of your rooms. Nine fragrances that convey different feelings. Apricot, Energy, Olygos, Orange & Cinnamon, Star Anise, Acqua di Talco, Thai, Wine Therapy and Zagara.
